Purpose: Fundraiser

The funds from the Run-to-the-Top allow Town Hall to contribute to projects that benefit the entire Mt. Baldy community, to maintain an emergency fund for disaster relief, and to make annual donations to the Mt. Baldy School, the all-volunteer Mt. Baldy Fire Department, and the all-volunteer West Valley Search & Rescue. The latter two organizations provide emergency services during the race, with personnel positioned along the course. Town Hall's donations to the Fire Department and West Valley also benefit the thousands of weekly visitors who hike, bike, and play in the local wilderness. Each year, 20% of the race proceeds is added to a perpetual grant for the Mt. Baldy Fire Department to aid with capital expenditures and a planned expansion.
